Dear Madam / Dear Sir:

On behalf of the Pierrefonds-Roxboro Borough from Ville de Montréal, I am pleased to provide a letter of support to the West Island Association for the Intellectually Handicapped (WIAH) for their quest to fund, build and operate a « Maison de la Famille »

As Mayor of Pierrefonds-Roxboro Borough, I feel the center will benefit the young families living in the surrounding areas and that it will provide critical support to young children who could otherwise be at risk.

There are no community resources in that area on our territory that provide support to families with babies and toddlers, and I find WIAIH to be an extremely professional and valuable organization to the citizens of the West Island.

Best regards

Dimitrios (Jim) Beis
